MAN.

Last month the writer was having experiences answering want ads. such as you may be having now. I ran across cheap canvasating propositions and jobs that were underpaid or hopeiess as to future, but finally met some Western men who are opening a business here that offers more opportunities and is different from a thing I know of. They will require certain types of men in the building of this business, and my first duties are to find them. If the reader is between 25 and 37, has a decent record and wants something better than usual routine work I advise him to see me at 26 Court st., room 311, opposite Borough Hall, Brooklyn, N. Y. M. N. Backes.
